

WESTON® Deluxe Electric Tomato Strainer

Farm-to-Table – The WESTON® Deluxe Electric Tomato Strainer is an essential tool for gardeners, canners and home cooks. This strainer easily separates skin and seeds from the pulp of fresh fruits and vegetables. Make delicious salsas, homemade pasta sauce and even seedless jams with the new WESTON® strainer.

Included Straining Screens – The Deluxe Electric Strainer includes three stainless steel straining screens. Effortlessly switch straining screens for different fruits or vegetables. From the standard tomato and berry screen (1mm), to pumpkin screen (3mm) or salsa (6mm), you will always achieve your desired result with the WESTON® Deluxe Electric Tomato Strainer.

Get the Job Done – Equipped with a powerful 250-watt motor, the strainer gets the job done effectively. The spacious 4-quart hopper holds a gallon of fruits or vegetables for maximum straining efficiency. A stomper tool is included for easy, hands off processing.

Convenient Features – The motor features forward and reverse operation capabilities to clear up potential clogs. For easy cleaning, the plastic drain chute and hopper are removable and dishwasher safe.
